About the Singapore Polo Club

The Singapore Polo Club, established in 1886, strives to promote the sport of polo and equestrian activities in Singapore and beyond. Its history dates back to the colonial period and the Club has always had an illustrious membership. Several members of the British Royal family have at various times played polo at the Club, which is set in lush, tropical grounds on Mount Pleasant Road. Over the years, the Singapore Polo Club has hosted many prestigious polo tournaments, many of which are attended by royalty, dignitaries, socialites and prominent business men and women. The Club hopes to grow the sport of polo and encourage more local Singaporeans to play "The Sport of Kings." This is significant as polo was recognised as a medal sport at the 2007 SEA Games, in Bangkok, Thailand, with Singapore winning a silver medal at this event.
